Applying for teacher registration

A guide to
the process

Applying for Teacher Registration

You cannot legally be employed to teach in Tasmania until you receive formal notification from the Board that your registration has been approved.

Is this the right guide for you?

If you hold current teacher registration in another Australian state or territory (not NSW) or in New Zealand use the guide: Applying for teacher registration under mutual recognition provisions.

If you hold international qualifications (and do not hold current teacher registration as above) your qualifications must be formally assessed prior to applying for teacher registration.

Registration to Work with Vulnerable People (RWVP)

All applicants will be required to hold [RWVP with the Tasmanian Department of Justice](#) prior to gaining Tasmanian teacher registration. Another state's RWVP (or its equivalent) is not a replacement for a Tasmanian RWVP.

We recommend applicants get their RWVP underway prior to applying for teacher registration as RWVP applications may take up to six weeks to process. Options to meet the RWVP evidence requirements while [living outside of Tasmania](#).

How to apply for Tasmanian Registration

1. Check you meet the criteria for registration:

Read [all the policies](#) relating to registration:

- Applying for Registration Policy
- Full and Provisional Registration and/or the Specialist Vocational Education and Training Registration
- English Language Proficiency Policy
- Records of Convictions Policy
- Fees and Payments Policy

2. Complete the online application process in TRB Online.

- If you are applying for the first time you will need to submit a [New User Sign Up](#) to establish an account on TRB Online. If you already have a record with us login as an [Existing User](#) and request a [password reset](#) if required.
- Click on **Apply for New Registration** and follow the prompts remember to provide information about your current registration.

3. Provide to the Board certified copies of documentary evidence.

Use the checklist on page 5 to ensure you provide the required documentary evidence.

4. Receive updates on the progress of your application by email

- When your payment is received and reconciled.
- If you need to provide any additional information to the Board.
- When your documentary evidence is received and processed.

5. How long will my application take?

All applications, including reapplications, can take up to four weeks to finalise, many are finalised at around 10 days. When your application is complete (online application submitted, payment and documentary evidence received in a standard required by the Board) we will assess your qualifications and generate an internal national record of conviction (RoC) request from our CrimTrac Agency.

Approximately 40 % of RoCs are returned in approximately 10 – 21 days. We need to wait until we receive that report back to confirm your character and fitness to teach before final approval can take place, and we cannot gauge how long that might take. Every application is processed as quickly as possible.

6. Notification of Teacher Registration status

If the **Board approves your application** for Tasmanian teacher registration:

- You will be notified by email of this approval
- Your name will go on the [Tasmanian Register of Teachers](#) **
- You can log into your TRB Online account to view/print your certificate** and read about your rights and responsibilities as a Tasmanian teacher.

**view your registration status, category of registration, TRB number, financial and cycle expiry dates.

If the Board **does not approve your application** for Tasmanian registration you will be informed in writing.

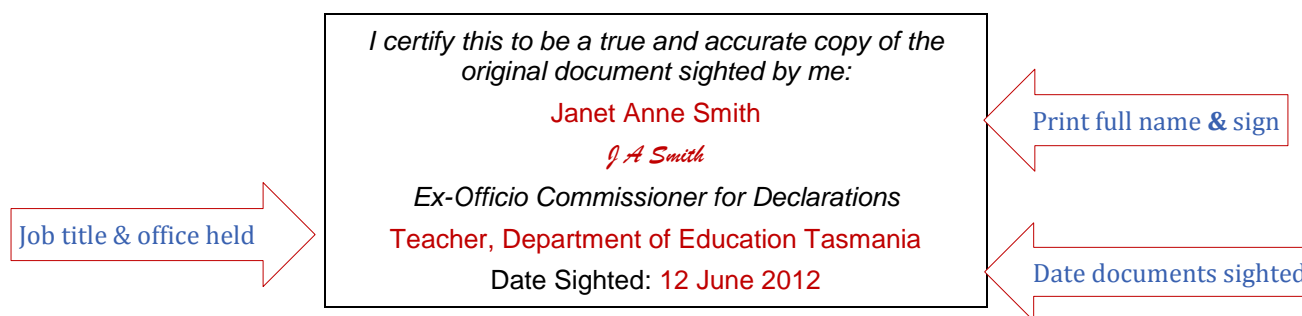

Certifying your documentary evidence correctly

All documentary evidence must be certified correctly to be considered by the Board.

A certified copy is a photocopy of an original document which has been certified by a Justice of the Peace, Commissioner for Declarations or, if overseas, a Notary Public.

Important Guidelines for Certification:

- The person certifying the copy must also sight the original document.
- Certified copies must bear **original signatures**. Faxes, scans or copies of certified copies are not acceptable.
- The certification must be on the actual copy, not on the back of the page and not on another page and attached to the copy.
- The certification must be on the actual copy and not on a sticker (unless the original signature extends beyond the edge of the sticker and onto the copy).
- Certified documents supplied to the TRB as part of an application **will not be returned** to an applicant.
- The TRB will not accept certified copies of electronic/scanned documents or downloads from the internet.
- The **front** of each individual page of the copy is to be marked **exactly** in the example shown below.

Who can certify my documents?

In Tasmania, [Commissioners for Declarations](#) include ([all professional groups listed here](#)):

- Full-time teachers at a school or tertiary institution
- Bank officers with 5 years continuous service
- Ministers of religion under the Marriage Act 1961
- Public sector permanent employees with 5 years continuous service
- Police officers
- Members of Parliament, or local government councillors
- TRB Staff

Translations

If any of your documents are in a language other than English, you will need to provide certified copies of the documents in the original language **plus** translations that are prepared and certified as correct by an official translation service or an accredited translator.

Providing the documents to the Board

Post your certified documentary evidence to:

Teachers Registration Board of Tasmania,
GPO Box 539,
Hobart 7001, Tasmania, Australia

Alternatively bring your original documents to our office at [213 Cambridge Road, Warrane](#) and we will make a certified copy for our records.

Requirements for Evidence of Qualification

For all tertiary qualifications the official academic transcript is the document the Board requires as evidence you have graduated from the degree.

We **only** accept the academic transcript as evidence of qualification if:

- It contains all the pages as issued by your higher education institution
- Is certified correctly (follow the instructions on page 4) on the front of each page
- Indicates the date of graduation or conferral under the section “Awards Granted”

Your testamur does not provide sufficient information to determine if your qualification(s) meets the National Program Standards for an initial teacher education program.

If the academic transcript states that you have ...” qualified” ...the Board does not recognise this transcript as evidence of graduation.

Courses Completed

Qualified on 04 Dec 2014 for the Bachelor of Education (Primary)

Your academic transcript needs to indicate that you have been “Admitted to” or “Awarded” or “Conferred” the degree.

The UTAS transcript lists Awards Granted. Your qualification must be listed in this section with a conferral date.
