Applying for teacher registration under Mutual Recognition Provisions

A guide to the process
Applying for Teacher Registration under Mutual Recognition Provisions

About applying for registration under Mutual Recognition (MR) provisions

Applicants who have teacher registration in another Australian state or territory or in New Zealand may apply for registration in Tasmania under the Mutual Recognition Act 1992 or the Trans-Tasman Mutual Recognition Act 1997.

Applications for teacher registration to commence in Tasmania in 2019 under Mutual Recognition provisions cannot be accepted/submitted until December 2018.

The Teachers Registration Board of Tasmania recognises teacher registration from the following jurisdictions:

- Education Council of Aotearoa New Zealand (formerly the New Zealand Teachers Council)
- Teacher Registration Board of the Northern Territory
- Teachers Registration Board of South Australia
- Queensland College of Teachers
- Victorian Institute of Teaching
- Teachers Registration Board of Western Australia
- Australian Capital Territory Teacher Quality Institute
- New South Wales Education Standards Authority (NESA)

If you hold current teacher registration (of an equivalent category held in Tasmania- Provisional or Full Registration/ Accreditation) in one of the listed jurisdictions you will be deemed to be registered in Tasmania from the date on which your completed application and payment are received by the Teachers Registration Board of Tasmania. You will be deemed to hold the same registration status and conditions (if applicable) as you hold in the other jurisdiction/s.

You cannot legally be employed to teach in Tasmania until you receive formal notification from the Board that your teacher registration has been deemed.

The Board then has one month to decide whether to confirm (with or without conditions) or refuse your registration. During this time the Board will take steps to verify the accuracy of the registration information you have provided. You will be notified in writing when a decision is made to confirm (with or without conditions) or refuse your registration. If your application is refused, your annual registration fee will be refunded.
About your payment for registration under Mutual Recognition (MR) provisions

In Tasmania registration payments are for a calendar year, regardless of when in that calendar year the application is made.

For example: if you pay for one year’s teacher registration which commences in 2017 that registration will expire on the 31st December 2017, whether you applied in February or October.

So please take care when deciding which year you want your registration to commence. From the 1st September, each year, you will have the option to select for your registration to commence this year or in the following calendar year. Start year is the first question of the online application for teacher registration.

Registration to Work with Vulnerable People (RWVP)

All applicants will be required to hold RWVP with the Tasmanian Department of Justice prior to gaining Tasmanian teacher registration. Another state’s RWVP (or its equivalent) is not a replacement for a Tasmanian RWVP.

We recommend applicants get their RWVP underway prior to applying for teacher registration as RWVP applications may take up to six weeks to process. Options to meet the RWVP evidence requirements while living outside of Tasmania.
