Can I have a copy of my receipt?

The Teachers Registration Board of Tasmania has a range of external payment options and does not generally issue formal receipts.

Depending on the payment method you should receive a receipt number to use for taxation purposes:

- Credit card online – www.payway.com.au – emails a receipt
- Credit card by phone – www.payway.com.au – issue a receipt number for you to record
- BPAY through your financial institution offers you the option to print a receipt once the transaction is completed
- Service Tasmania provides a hard copy receipt for over the counter payments.
